

# Oceania Speed Championships

## **WELCOME FROM THE MAYOR OF TIMARU**

Welcome to the Timaru District with a special mention to the overseas competitors from Australia, Italy and America. We are thrilled that you are all here to compete at the Oceania meet at the Caroline Bay Rink and the marathon at Levels.

What a great facility the South Canterbury Speed Skating Club has invested in, with its world class track and the new clubhouse that is being built, which means the big events such as the Oceanias and the Bank Track Championships can come to Timaru.

Good luck to all the skaters and I do hope that competition is fierce but fair, that the weather stays fine and that you get out and about in our District. We've got some awesome places to visit if you have the time there's Geraldine, Temuka and Pleasant Point all offering something unique to see and do. Here in Timaru we have the state of the art CBay Aquatic Centre, our art gallery, museum, Rock Art Centre and Caroline Bay with its boardwalks, world renowned rose garden, WWI memorial and public artwork. From Caroline Bay and the rink it is but a short distance to the centre of town for great shopping, cafes and restaurants.

**Have a great weekend, enjoy your time at the Oceania's meeting old friends and making new ones and enjoying our southern hospitality.**

Kind regards

**Damon Odey**  
**Mayor**

## **Oceania President's Address – 2016 Oceania Inline Speed Roller Sports Championship**

Welcome to the 2016 Oceania Inline Speed Roller Sports Championship in Timaru, New Zealand. The Oceania Confederation Championship is an important championship for athletes and officials in the Oceania region as it is the first experience of international competition for many and it is the first step on the road to representation of their respective countries at FIRS World Championship. It is here that many life long friendships are made.

It is great for the athletes to be in Timaru at the South Canterbury Rollerskating Club Banked Track. This track is the only 200M internationally size track in the Oceania region. Thank you to the Timaru Council and others who have given considerable funding support to make this facility a reality. It is largely due to the enthusiasm and tenacity of Bill Begg, over a long period of time, that the development of this track has come to fruition. Thank you Bill for all you have done for speed skating in New Zealand, Australia and all around the World. Congratulations on being awarded the Officer of New Zealand Order of Merit. We all believe you have more than earned this award and that it is long overdue.

Thank you to the members of the South Canterbury Roller Skating Club for your work in organising the event, to the Speed Committee of NZ and to Roger Boulcott, President of NZFRS, for the tremendous effort you have made as volunteers, to organise a smoothly running Championship. Without strong volunteer support it would not be possible to run a competition like this and your efforts are very much appreciated.

To the athletes and officials, I extend my best wishes and I hope that your efforts in preparation will be rewarded by producing your best performance on the day.

I wish you all an enjoyable and successful competition, contested in the spirit of friendship and good sportsmanship and to extend a special thank you to all the parents, coaches and others who support the athletes through their journey to the elite level of our sport.

Regards

Patricia Wallace

**President Oceania Confederation**

## **NZFRS President's Message**

I join Mayor Damon Odey in welcoming you to Timaru for the 2016 Oceania Speed Skating Championships.

I congratulate those skaters who have been selected to represent each country.

There is a long and proud tradition in competition between Australia and New Zealand and that extends to Speed Skating. I am sure that we will see some very good racing during the championships.

I thank our volunteers and officials for these Championships; thank you for giving of your time and skills to make the Championships possible.

Our thanks also to the South Canterbury Club for their help – you've done a great job. We were here just over a month ago and since then there has been some dramatic change; the old club rooms have gone and the new building is in use. Your club has built an amazing facility that will attract speed skaters for many years to come.

I wish skaters well as you compete and trust you will enjoy your time in Timaru.

Good luck one and all.

Roger Boulcott

**President**
