### **Our People**

Congratulations to Mark Swindells on his recent Qualification as an International Speed Referee.

### **Rollart**

Over the last month I attended Northern and Central Areas where Rollart was used for the first time in NZ [at Northern Areas]. Overall, the system worked very well with only a couple of glitches.

I want to commend those who have been instrumental in the introduction of Rollart for the excellent job they have done. Also our current officials who have grasped the new system and made a great contribution at both championships.

Take a bow folks, you’ve done well !
