2	2022 New Zealand Road & Flat Track Championships <p>Discussion on letter received.</p> <p>Still waiting on further details from SportNZ so management plan on controlling the controllables is difficult. Government should release on Monday.</p> <p>Worst case scenario self-isolate for 2 weeks & carry a covid first aid kit. If parents aren't attending, who's in charge of kids & able to make medical decision. No communal facilities – campgrounds etc not possible. 10 helpers that don't attend the event that could do contactless deliveries if everyone is self-isolating.</p> <p>We need to be prepared to learn & find a way of doing this. We are looking at this for a long term.</p> <p>Currently we will wait on SportNZ Partner call tomorrow for info & we'll review Sunday night. At this stage the landscape we're working with still hasn't changed.</p> <p>Leanne to cancel the booking for Flat Track Championships</p>	Leanne
