Club Name	Auckland Waitakere Roller Sports Club
Introduction	We are mostly an Artistic club but do have 1 inline class & 1 inline freestyle skater. We are still operating out of the Trusts Arena as our primary venue where we run our community classes & club trainings.
What skating sports are covered in your club?	Artistic, Speed & Inline Freestyle
Club membership numbers (Total)	As at 30 <sup>th</sup> September we have 448 members 68 club members & associates, 29 inline recreational skaters & 351 community class members. We had finished 2022 with 518 members
What activities have you had this year? Tell us about them.	We ran a Mother's Day fun skate fundraiser. We have our weekly community learn to skate classes, adults class & inline class.
Have you initiated or are considering any new activities? E.g. an Open Day, after school activity.	We were looking at a skaters workshop, but haven't been able to organise this as yet.
How many Recreational Skating activities do you hold per week / per year?	Our weekly Learn to Skate, adults & inline classes are all recreational. Junior Club is also recreational if people do not wish to go competitive. This is a weekly class. We were aiming to hold 2 Fun Skates per yet, but have only made 1 in 2023 so far.
Approximate number of people attending	Approx 100 kids & 10-20 adults attend our learn to skate classes weekly & inline is 5-15 skaters Our fun skates were approx. 80-100 people this year.
What are your member numbers? You may specify by discipline if desired.	Competitive: 30 Recreational: 418 Officials: 2
Have you seen any growth?	Yes, we are continuing to grow & are working on moving the numbers through the badge levels. We also hope to run our figures for strategic planning to see what levels we are getting the most skaters dropping out from.
How many of your skaters have attended events hosted elsewhere? E.g. Open Day, training camp, workshop, etc	Our skaters have attended Laurie Hastie, Graeme Sheppard Challenge, Australian Nationals & Oceania Championships this year.
What's been your favourite success story this year?	Continuing to skate 100+ skaters at our learn to skate classes each week and seeing them moving through to higher levels to start becoming part of our club. We're also gaining more volunteer coaches to assist, so we can try to not burn out the more experienced coaches.
What information can you share with other clubs that have worked well?	Working to lower the pressure on our volunteers at grassroots level & ensure they are being the best people to provide the best experiences, which flows through to our entire environment.
Any further comments you'd like to make?	We'd be interested in hearing if other clubs use a CRM database system for the club / classes members or any other check in software to check attendance.

## **Club Report - Christchurch Amateur Roller Skating Club**

Another year has passed and we are still slowly increasing our competitive skater base. We have increased our registered number of competitors with the NZFRS.

Our Artistic skaters attended the Southern Regional Championships in Nelson and all skated extremely well in NZFRS Novice grades. This year will be an intense year for them as they work towards their next medals in each discipline. This will also see them move to the mainstream Artistic grades and see them skate at the 2024 NZ Artistic Championships under Rollerland Coaches.

Our speed skaters are all improving although getting them to the same trainings and competitions proves a challenge. We have a visiting ex skater from Chile and as a Master she is fitting into our training and social scene well. We are slowly increasing our numbers and have a small contingent of 4–5-year-olds making great progress.

We continue to run our learn to skate Fun and Speed classes once a week and these are a great connection with the local community. We are fortunate to be able to skate in a first-class indoor stadium and have an excellent relationship with the staff and Selwyn District Council.

All our skaters are looking forward to a busy competitive season after skating the Southern Open Speed Day in Timaru.

Barbara Colville

Secretary

Club Name	Hamilton Roller Skating Club
Introduction	We are fortunate in our Club to own our building which enables our skaters to skate free of charge. We keep costs to our Public sessions as low as possible as we are in a low socio-economic area. Public Session skating is as low as \$3.00 and we have a maximum charge of \$15.00 for a whole family to skate . Our Public sessions effectively subsidises our skaters and covers outgoings such as power cleaning etc. We are currently planning to extend our workshop and storage area to streamline public activities. In addition we hire out the rink for other activities and groups including Derby and the Radio Controlled Car Club
What skating sports are covered in your club?	Speed, Artistic, Recreational.
Club membership numbers (Total)	58 members not counting associated members
What activities have you had this year? Tell us about them.  Have you initiated or are considering any new activities? E.g. an Open Day, after school activity.	Artistic Medal tests, and skaters taking part in in open days, area National and Oceania competitions. Monthly themed fundraiser sessions. Banked Track Nationals Speed Fun Days monthly with between 50 to 60 skaters coming from Auckland Palmerston and Wanganui. Weekly Learn to skate Sessions; up to 100 skaters. A Beginner competition Day to replace Regionals which were cancelled due to low entries from Clubs other than Hamilton. A Home School Morning Session. A planned Beginner Fun Day competitions for local skaters
How many Recreational Skating activities do you hold per week / per year?	3 per week
Approximate number of people attending	Between 50 to 200 a session
What are your member numbers? You may specify by discipline if desired.  Have you seen any growth?	Big growth in new speed skaters
How many of your skaters have attended events hosted elsewhere? E.g. Open Day, training camp, workshop, etc	5 or 6 Artistic 5 to 6 speed
What's been your favourite success story this year?	2 skaters qualifying for Oceania's, 1 qualifying for the Pacific Cup event and one in Speed. All of whom placed. The growth in Speed numbers and the families coming into the Club and the number of adult skaters who will ultimately compete if they can afford it. Home School Families participation. Small group adult recreational learning basic skills and having fun

	<b>Pearl Best was awarded lifetime membership to NZFRS after over 40yrs of service to Roller sports.</b>
What information can you share with other clubs that have worked well?	<b>All of the above and having good skaters on the session ‘selling ‘ the sport</b>
Any further comments you’d like to make?	<p><b>Medal tests requirements and taking Novice grade out of Areas leading on to Nationals has been a disincentive to growing the number of competitive Artistic skaters.</b></p> <p><b>Medal Test qualifications for Nationals mean it’s taking longer to get a new skater competition-ready especially if they start at 12 or 13 years. National Competition and seeing what is possible, hooks new skaters into the sport and inspires them to go on.</b></p> <p><b>There are less impediments to Speed Skaters entering National Competition, We have had speed skaters start and compete and at Nationals and medalling in their first year.</b></p>

### **Hastings Skating Club report for 2022-2023**

The past year has been another difficult year for the Hastings Skating Club, and especially for the Learn to Skate and artistic sector of the Club. After the Club getting through the affects of covid we were hit this year by the affects of Cyclone Gabrielle. This had a huge affect on skating in the Bay and especially the availability of venues. The Hastings Stadium and the Centennial Hall in Napier became unavailable and this put undue and untimely pressure on the Club's artistic skaters as they were preparing for the start of the artistic competition calendar. After the Cyclone, the numbers at the Club's Learn to skate sessions also dropped. We are now 6 months on from the Cyclone and numbers are slowly starting to build again.

The Roller Hockey sector of the Club has gone from strength to strength. They have been having good numbers at the Learn to roller hockey sessions, and the numbers of interested skaters keeps on growing. Hockey skaters also come to the Club Learn to Skate and Learn to Speed skate sessions. Earlier this year they held a very successful summer hockey tournament at the rink, and they have had teams participate in tournaments around the country. Thank you to the organizers of the roller hockey sector for all the input you are giving back to the Club.

The Speed sector in our Club is active at the Learn to Speed sessions. At present the Club does not have speed skaters taking part in competitions. Hopefully 2023 will see growth. Congratulations to Callum Campbell for being elected on to the NZ Sport Speed Committee.

In the Artistic sector, the numbers competing at Leagues, Open day competitions and national competitions has fallen. The skaters we do have competing are producing good quality and good results. There is a small group from the Learn to Skate who will be ready within the next year to start their first competitions. Growth is starting to happen there.

Congratulations to all skaters who passed medal tests over the last year.

The Hastings Skating Club has 3 registered artistic coaches, registered speed coach, hockey coaches, 2 artistic judges, 3 speed officials and 2 announcers in their cache of volunteers.

The Club also congratulates, Club member and senior roller hockey player, Kyle Hamilton, Manager Bay Skate, Napier, on becoming the World skate Oceania Scootering Technical Commission Chairman.

For the continued growth of the Hastings Skating Club and roller sports let's hope that 2023 – 2024 is an uneventful year health and weather wise, thus allowing for further growth in our sport.

## AGM Club Delegate Report - NZFRS AGM 2023

### Report for Hawera Amateur Roller Skating Club 2022/2023

Our members train at The Hub in Hawera and currently our membership numbers stands at 29 Financial Members with 3 traveling down from New Plymouth.

The disciplines we offer are Free and Figure skating. Our membership numbers have remained steady over the last year and currently our membership consists of

Competitive     13

Recreational     16

Our national and international grade skaters have attended Margaret Grant League, Regionals, National Champs, Oceanias, Upper Hutt Open day, Graeme Sheppard Challenge, Central Areas and Laurie Hastie events and travelled away for medal tests. We have also held 1x medal test at our club in December.

This year we have continued to hold our holiday programme over the term breaks which is well received and good numbers attending. These open days often bolster attendees at our term trainings with a few new members joining up after each holiday.

After our initial foray back into twilight skate nights we have continued to hold these with mixed success and need to investigate alternative ways of getting word out to the community to attend these events.

One of our success stories this year is the watching the confidence and skill of one of our beginner skaters grow from being unable to stand on skates to being able to skate unaided around the rink. The pride and smile on this skater was plain for all to see.

Nadine Southey

President – Hawera Amateur Roller Skating Club.

Club Name:	<b>MSSC – Manawatu Skating Club</b>
Introduction	The 2022-2023 year has been a huge year for MSSC, with skaters achieving highly both in placings in events and in personal best performances. We are very proud of our skaters, and we are also very thankful to all the parents and volunteers that keep the club running.
What skating sports are covered in your club?  Club membership numbers (Total)	<b>Artistic and Speed skating</b>  <b>Full Club members: 112 (includes adults and children)</b> <b>Associate members: 8</b> <b>Learn to Skate members: 70</b> <b>TOTAL: 190</b>

Artistic: <ul style="list-style-type: none"> <li>• Central Area Medal Tests</li> <li>• Laurie Hastie Dance and Free</li> <li>• Laurie Hastie Figures</li> </ul> <p>Laurie Hastie Open attracted more than 100 skaters from all over New Zealand. This year the event was spread across two weekends. This was done for two reasons: 1. The logistics of running events across two venues was very difficult for the organisers, officials, and skaters, and 2. By splitting the Rollart events from figures it meant that skaters had the chance to perform all their routines. MSSC is extremely grateful to all the officials and volunteers who worked together to make this event happen and we feel that we pulled off an excellent competition.</p> <p>Speed:</p> <ul style="list-style-type: none"> <li>• 2023 Road, Track and Marathon Nationals</li> </ul> <p>For many of the organising committee, this was the first time organising a national event and there was definitely much to coordinate with events happening over three venues. Our Artistic Learn to Skate has 50 skaters enrolled, with over 30 attending each session, and Speed Learn to Skate have around 16 students who regularly attend every session.</p> <p>One of the key struggles is moving our younger Artistic Learn to Skate students into the competition arena. This continues to be a priority for the 2023-2024 season.</p>

	<p>Adult Learn to Skate is also providing a pathway for new members who are competing and volunteering within the Club. What's been your favourite success story this year?	<p><b>Speed:</b> One of the most obvious differences between this year and last is how quickly our Club Speed Squad has grown in the past year from 9 skaters last year to a squad of 22 this year, with more Learn to Skate graduates set to join the squad later this year or early next year.</p> <p>Due to the success of the new Speed Learn to Skate program, Speed Learn to Skate graduates join the squad equipped with the basic skills they need to quickly adapt to competitive skating. We have consciously created a supportive, positive environment from Learn to Skate through to Squad level and now the results are beginning to show on the podium as well.</p> <p><b>Artistic:</b> MSSC continues to maintain a strong presence at national and international level competitions. Our coaching team, headed by Kylie Shirley, who we are proud to say, has been made a MSSC Life member this year, must be praised for the way they work together – from the Learn to Skate level right through to competitive level. Their support and kindness towards each other is evident and this helps to build an inclusive and supportive team environment throughout the Club.</p>
What information can you share with other clubs that have worked well?	<p>Splitting the Artistic Laurie Hastie Open competitions across two different dates. See information in the activities section of this report.</p> <p>The Speed Learn to Skate program. We have introduced a flexible lesson planner that includes a range of technique teaching, supporting activities and games, which is working very well, and earlier this year we completed a student and family satisfaction survey. The results were very positive, and we received some good feedback to develop the program to further strengthen ties between the Learn to Skate families and the Club Speed Squad.</p>
Any further comments you'd like to make?	<p><b>Speed:</b> There are several volunteers interested in taking coaching papers/workshops should the opportunity arise. The current offer of coaching seems to be pitched at international level. Our volunteers are much more interested in coaching at Learn to Skate or Club training level.</p>

<p>What skating sports are covered in your club?</p> <p>Tell us about them.</p>	<p>Inline Hockey in grades U10, U12, U14, U16. Social team, Premis, Senior, Junior Women and Women's League.</p> <p>Artistic – Competitive and Learn to Skate</p> <p>Speed – Two indoor and two outdoor trainings per week.</p>
Club membership numbers (Total)	180
<p>What activities have you had this year?</p> <p>Tell us about them</p>	<p>Weekly Learn to Skate community classes for all ages and abilities.</p> <p>We hosted Bauer Cup and King of the Mountain is coming up.</p>
<p>Have you initiated or are considering any new activities? E.g. an Open Day, after-school activity.</p>	<p>Supporting northern region events. We are running an exciting promotional event – a reciprocal arrangement between Ice Hockey and Inline Hockey whereby players can swap rinks for a day and get a taste of their sister sport. Coaching and gear will be made available.</p> <p>Artistic have started an after school LTS programme, and also a new adults group.</p>
<p>How many recreational skating activities do you hold per week/per year?</p> <p>Approximate numbers of people attending</p>	<p>Learn to Skate runs several times weekly. Our Saturday session regularly has a full rink of new skaters!</p> <p>Learn to Play Inline is held on a Sunday afternoon.</p> <p>We have a long-term goal of establishing a recreational membership to encourage participation by including regular casual skaters into the MWRSC family.</p>
<p>What are your member numbers?</p> <p>Specify by discipline if desired</p>	<p>Speed: 20-30 skaters attending/wk</p> <p>Artistic: 17</p> <p>Hockey: 113</p>

<p>Have you seen any growth?</p>	<p>Speed has had marked growth; around 20 competitors from our club attend monthly fun days in Hamilton. 20 skaters are expected to compete in Nationals in Blenheim, a really great turnout for a South Island event.</p> <p>In Hockey, an Under 10s team has been reestablished. This should see more young Panthers progressing through the club.</p> <p>Artistic has shown huge growth and in particular, we have a new beginner adults precision team.</p> <p>One issue we have found with growth though, is that there is no available rink time for new activities. We are challenged with figuring out how to manage coaching new artistic skaters with their routines. On one hand, we have interest in skating, but on the other, we cant functionally offer training time.</p>
<p>How many of your skaters have attended events elsewhere? E.g Open Day, training camp, workshop etc</p>	<p>Three skaters are in training for the Artistic Nationals 2024. Mercedes was selected for Worlds. Joey Heley competed at the Australian Nationals in June. We are looking at holding a beginner competition.</p> <p>A Northern Speed Day is coming up and an Open Day in Hamilton. Blenheim Nationals was well attended.</p> <p>IHNZ Development Camp. Inline hockey members attended Whanganui Nationals in the past week with approximately 70 skaters.</p>
<p>What has been your favourite success story this year?</p>	<p>Plenty of our skaters, coaches, and officials have success stories this year, with all sorts of special achievements! We are so proud of everyone achieving and exceeding their goals. Many of our skaters and officials have travelled for events around NZ.</p>

	<p>For inline hockey, we placed very well over nationals including our premier grade winning nationals from a team that had held the trophy for the past 9 years and which was won after overtime and penalty shoot outs.</p>
<p>What information can you share with other clubs that have worked well?</p>	<p>We are a community club that supports people of all ages to try a new sport, and keep active. Our Learn To Skate sessions have exploded in the last year, and we have needed to be creative about how best to incorporate so many new skaters in our club. We have grouped people into ability groups, rather than having individual lessons.</p>
<p>Any further comments?</p>	<p>It's amazing to see how popular skating has become in our area - perhaps the popularity of previous decades is back!</p>

Club Name	<b>New Plymouth Roller Sports Club</b>
Introduction	<b>Incorporated in 1955, the club and its venue host four disciplines. Covid has had an ongoing impact, difficulty with funding, but in some ways a positive impact on those wishing to skate or learn to skate. The club is pro-active hosting skills sessions and public sessions, these are run by the different codes weekly.</b>
What skating sports are covered in your club? Club membership numbers (Total)	<b>Inline Hockey, Roller Hockey, Artistic (Figure) Skating, Roller Derby</b> <b>Approx. 220 with a further 100+ weekly attending session skates.</b>
What activities have you had this year? Tell us about them.  Have you initiated or are considering any new activities? E.g. an Open Day, after school activity.	<b>ARTISTIC:</b> Hosted a Show Skate event followed by a "Have-a-go" session to showcase to the wider local community what our sport is all about whilst also giving our skaters an opportunity to perform in front of a crowd before the major competitions of the season. Also hosted a workshop for our branch skaters with Mercedes Carrascosa our NZ World representative to assist in building their skating skills for the upcoming season. <b>Inline/ Rink/ Derby</b> have hosted and attended various events over the past 12 months, with representation at NZ level and travel to offshore events. Inline and Rink have both hosted national /regional events in 2023 and booked in for 2024 events.
How many Recreational Skating activities do you hold per week / per year?  Approximate number of people attending	<b>ARTISTIC:</b> Kiwi Skate is a Learn to Skate program hosted weekly on Wednesdays throughout the school term by the Artistic Branch. It provides skaters a starting point to learn basic skating skills which they can then translate to all available disciplines our club has to offer. Kiwi Skate – approx. 30 skaters per week. Sessions – 100 plus / week
What are your member numbers? You may specify by discipline if desired.  Have you seen any growth?	<b>ARTISTIC:</b> Competitive: 27 Skaters Recreational: 30 (Kiwi Skate) Officials: 2 Inline (150) Rink (35) Derby (10) Regarding growth in the Artistic Branch, we have seen a small amount of growth to our overall competitive numbers, however we have had huge growth in the number of skaters moving up through the grades and qualifying for Nationals, from 9 skaters in 2022 to 16 skaters in 2023 whilst maintaining our League/Regional competitive squad at 10 skaters. Growth seen across Inline and Rink as well, mostly Juniors and over 25 yrs. Some difficulty with 15 – 18 ages keeping them engaged.
How many of your skaters have attended events hosted elsewhere? E.g. Open Day, training camp, workshop, etc	<b>ARTISTIC:</b> <b>Training Camps</b> - Our Nationals squad have attended a variety of workshops hosted by Mercedes Carrascosa in Auckland, Palmerston North and Wellington. We also had 2 skaters attend the first of a series of National Coaching Workshops on King's Birthday weekend in Upper Hutt. <b>Competitions</b> – Upper Hutt Open (17 Skaters), Central Area Championships (16 Skaters), Graeme Sheppard Challenge (3 Skaters), Val Bedford League (10 Skaters), Laurie Hastie Open (20 Skaters), NZ National Championships (16 Skaters), Oceania Championships/Pacific Cup (Will have 3 Skaters attending in Australia.) <b>Inline and Rink</b> host in New Plymouth but also skaters attend in other centres.
What's been your favourite success story this year?	<b>ARTISTIC:</b> 3 skaters being selected to represent NZ at the Oceania Championships/Pacific Cup, and Alexis O'Doherty being named on the World Figure Cup team. Finally provision of funding to repair connection between two rinks thanks to Toi Foundation and replacing asbestos siding with steel on two sides of old venue ( another funder).
What information can you share with other clubs that have worked well?	Having a combined executive committee where each code is represented helps with governance and equal input on matters related to club/ venue. Branches left to their own operations.

## Rotorua Rollerskating Club Annual Report 2023

Our club continues to teach, coach and support artistic skaters. At present we have approximately 77 skaters including 49 Learn to skate skaters and 24 Competition skaters.

In term four 2023 we will be running a new third learn to skate class to help with our waitlist and to make classes slightly smaller in numbers. We are seeing high demand to join our Learn to Skate classes, with frequent enquiries to our website and an on-going waitlist.

The club has been through many changes this year with our main coach David Hook unable to coach any longer. We have also seen many changes on our committee with the club's expectation that all competition skaters' parents/caregivers must play an active role in the running of the committee.

We have three Rotorua coaches and several outside coaches from other clubs who also teach skaters from our club. At present we have one trainee coach in the process of sitting her level one coaches exam and five other who have either sat their accreditation or will be over the next few weeks.

Last term we once again ran a development squad with five skaters who wish in the future to compete at some level.

Later this year we will be looking at running our annual Exhibition event, medal tests and our end of year Christmas show.

The club is extremely proud of Liam Fraser being selected to attend the World Skate games, and our skaters who also competed at the Oceania event in Australia.

What's been your favourite success story this year?	<p>Our Sunday Funday training – the under 9's non-competitive skaters were losing interest. Cheryl and Chrissie have made use of community facilities near the rink and created Sunday funday training. This has been thoroughly enjoyed by both skaters and coaches.</p> <p>Also getting the unity trophy back despite relays not being included</p>
What information can you share with other clubs that have worked well?	The Sunday Funday training session for little ones – they are playing games, skating in different environments, making friends and don't even realise they are actually practicing skills at the same time.
Any further comments you'd like to make?	Thank you to Scott and Johnmen for their work with the event calendar, this is a useful resource.

<p>Club Introduction</p> <p>Club membership numbers (Total)</p>	<p>Tauranga Roller Skating Club was formed in June 2017 and has since grown into a club full of incredibly passionate skaters. Our clubs primary focus is on developing our current skaters abilities as well as promoting artistic roller skating in our area.</p> <p>16 Tauranga roller skating club members</p>
<p>What activities have you had this year? Tell us about them.</p> <p>Have you initiated or are considering any new activities? E.g. an Open Day, after school activity.</p>	<p>Our skaters have attended many events throughout this past year, including:</p> <p>Upper Hutt Open Day - Porirua  Graeme Sheppard Challenge – Porirua  Regionals - Auckland  Northern Areas – Auckland  Laurie Hastie – Palmerston North  New Zealand National championships – Auckland  Oceania championships – Brisbane, Australia</p> <p>Our club has participated in and helped organise two medal tests held at the Hamilton Roller skating rink.</p> <p>We have had our head coach Shelly travel with many of our skaters to Whakatane and back for training days in their larger hall. These trips are always very social and enjoyable for our skaters.</p> <p>Due to a lack of hall availability in the Tauranga area we haven't hosted any social events such as discos thus far.</p> <p>In term four we will be continuing our adult and beginner Te Puke classes and re-introducing our Sunday kiwi skate class at the mount sport centre.</p> <p>We have a few skaters who will be attending the November 11<sup>th</sup> medal test in Rotorua.</p> <p>We are also hosting a club only Christmas disco/party on the 14<sup>th</sup> of December.</p>
<p>How many club meetings have you run this year? i.e. committee meetings</p>	<p>3x</p>
<p>What are your member numbers? You may specify by discipline if desired.</p> <p>Have you seen any growth?</p>	<p>Competitive: 12, Supporters (committee members): 3, Registered Coaches: 4</p> <p>We have maintained our competition grade skaters this year and have seen improvement in our previous beginner skaters who have begun competing this year. We have also seen growth in our own competitive skaters, all of which have done exceptionally well throughout this</p>

	<p>season of competition. We saw exceptional improvement in two of our three skaters on the New Zealand team (same three skaters as in 2022) who took out gold in their disciplines at the Oceania championships/pacific cup.</p> <p>We have had beginner and adult learn to skate classes in Te Puke throughout this year. However, we had to put our Sunday Kiwi Skate class on hold until this term due to a lack of hall time and coach availability. This did lower our number of recreational/beginner skaters.</p>
How many of your skaters have attended events hosted elsewhere? E.g. Open Day, training camp, workshop, etc	<p>At the beginning of the year the majority of our competitive skaters attended Upper Hutt Open day in Porirua, this is always one of our club favourites. Other events include those listed above, the majority of our skaters have attended all of these competitions too.</p> <p>We had three of our skaters attend the 2023 Oceania Championships / Pacific cup in Brisbane. This was an incredible experience and highlight for them as they were able to travel overseas with the New Zealand team. Two of these skaters also won gold in their events.</p> <p>Rotorua has offered for four of our skaters to attend their medal test in November.</p> <p>We have a few skaters who will be attending Auckland open day also to be hosted in November.</p> <p>We also have a few of our older skaters (as well as coaches) interested in attending the national coaching workshop in Auckland, December this year.</p> <p>Two of our skaters have continued to receive dance coaching with Rachel Parkinson Turner in Auckland. They have done incredibly well throughout all their competitions this year. We are very grateful to have Rachel helping these girls out.</p>
What's been your favourite success story this year?	<p>Many of our skaters won national titles in their disciplines.</p> <p>Three of our skaters qualified for the Oceania championships again, two of these skaters now hold Oceania titles.</p> <p>One of our skaters also passed their medal 7 figures, which is the highest level medal test achieved by one of our club members so far. We have another skater who will be sitting medal 7 freestyle in Rotorua this November.</p>
What information can you share with other clubs that have worked well?	<p>Having skaters attend the online roll art seminars to increase their knowledge and understanding of the sport.</p>
Any further comments you'd like to make?	<p>Still wishing we could have more hall time. Hall prices are also going to be increasing, alongside one of the halls being rebuilt. This will make finding time for our skaters even more challenging for our club.</p> <p>As always, our club is very grateful for the volunteers who make artistic roller skating possible. We would like to say a big thanks to the judges and officials who have supported and helped us with medal tests and all the competitions throughout this year.</p>

Club Name	<b>Wanganui Roller Sports Inc. (WRSI)</b>
Introduction	This is the Club Report from Wanganui Roller Sports Inc (WRSI) for the 2023 AGM. We also run an indoor Skating Rink that is used for Public and private sessions as well as a training facility for our skaters.
What skating sports are covered in your club?	We have 3 active Sections, Speed, Artistic and Rink Hockey.
Club membership numbers (Total)	Recreational 5, Speed 29, Artistic 25, Rink Hockey 69, <b>Total 128</b>
<p>What activities have you had this year? Tell us about them.</p> <p>Have you initiated or are considering any new activities? E.g. an Open Day, after school activity.</p>	<p>We have had good numbers at our Public Sessions, recreational skating is still pretty popular. Our sections continue to hold local competitions and the learn to skate classes are busy in all 3 sections. We have run quite a few fundraiser sessions to help sections and skaters raise money for their competitions.</p> <p><b>Rink Hockey</b> – Wanganui Rink Hockey Hosted a tournament over the Matariki Weekend with Clubs attending from Auckland, Hastings, New Plymouth, and Motueka.</p> <p>We have held a number of fundraising nights to try and promote skating in general and to specifically raise funds to assist eight of our members getting to China in October 2023 to represent New Zealand at the 19<sup>th</sup> Asian Roller Skating Championships and qualifiers for the Worlds in Italy in 2024.</p> <p>We are planning a further youth training camp later in the year to further progress our junior skaters along with others from fellow clubs around New Zealand.</p> <p><b>Speed</b> - Have held some Omnibus Competitions along with our annual RCT.</p> <p><b>Artistic</b> – We have initiated Certificates in our Learn to skate programme and these are very popular with our new younger skaters to help them engage in the sport.</p>
<p>How many Recreational Skating activities do you hold per week / per year?</p> <p>Approximate number of people attending</p>	<p>We hold 3 permanent Public 2hr sessions per week. We also run additional Fundraiser Sessions on a Saturday night and also 2 extra sessions in the school holidays. We also have private booked sessions for school, youth groups of different varieties along with up to 3 birthday parties each week.</p> <p>Public session can be as high as 150 people but averages around say 60 skaters per session.</p> <p>We also run 3 learn to skate sessions per week, one for each of our sub-sections. These can have 10-30 skaters attending.</p>
<p>What are your member numbers? You may specify by discipline if desired.</p> <p>Have you seen any growth?</p>	<p>Competitive: <b>Artistic</b> has 7, <b>Speed</b> 15, <b>Rink Hockey</b> 39.</p> <p>Recreational: <b>Artistic</b> has 11, <b>Speed</b> 5, <b>Rink Hockey</b> 7.</p> <p>Officials: <b>Artistic</b> have none, <b>Speed</b> 3, <b>Rink Hockey</b> 2.</p> <p><b>Artistic</b> - has had some growth in the younger and new skaters</p> <p><b>Speed</b> - has seen not seen any growth. Learn to Skate numbers are steady but has been difficult getting new skaters to commit to trainings and competition.</p>

	<b>Rink Hockey</b> - have had some great growth in both our junior and senior and especially in our Womens section membership base.
How many of your skaters have attended events hosted elsewhere? E.g. Open Day, training camp, workshop, etc	<p><b>Artistic</b> – We have 7 skaters attending local area comps like Areas, Graeme Shepard and we had some skaters attending Nationals.</p> <p><b>Speed</b> – Speed regularly attends other competitions, this year in Hamilton, Blenheim, Manawatu, Upper Hutt. We have had 2 skaters at Worlds in Italy with one of our skaters basing themselves in Germany for 5 months and competing in multiple events in Europe as part of Team Geisengin.</p> <p><b>Rink Hockey</b> – Over the course of 2023 there are six tournaments held throughout New Zealand. Hockey attends every tournament usually travelling with approx. 30 plus skaters attending most tournaments plus supporters.</p> <p>We have 8 members within our Wanganui club also selected for New Zealand teams and these members have committed to attending a number of training camps throughout the year. Trials are also underway for the Worlds in Italy next year and we have a very large contingent from Wanganui attending trials aiming for selection. Approx 20 members,</p>
What's been your favourite success story this year?	<p><b>Speed</b> – having 2 skaters selected for Worlds in Italy. Having Chase competing against the best in the world and holding his own and achieving some very good results for not only worlds, but also in events all over Europe.</p> <p><b>Artistic</b> – Nationals results at Nationals with 2 skaters getting golds, learn to skate numbers are busy, winning best dressed at Nationals this year.</p> <p><b>Rink Hockey</b> - Wanganui having strong representation having 8 of our members selected to represent New Zealand in China 2024,</p>
What information can you share with other clubs that have worked well?	Our club continues to have 3 successful sections who all work well together for the good of the club. All sections are represented at a committee level, and we collaborate for the good of the skaters.
Any further comments you'd like to make?	Low volunteer numbers are a major concern, our club relies heavily on volunteers. A lot of sports clubs are struggling and we are no different. We have a core group responsible for keeping club and sections running and the loss of a few would be an issue for us, with not many people coming through to help out.

## AGM Club Delegate Report Waitaha 2023

Topic	Comments
Club Name	Waitaha Artistic Roller Skating Club Inc.
Introduction	We are a new club based across Christchurch, two main training hubs being at the Lincoln Event Centre and the Avon Hub. We are working towards a common goal of building the sport in the region and promoting skating as fun, accessible and family friendly.
What skating sports are covered in your club?	Artistic - Dance, Free Skating, Precision and soon we will have figure circles down at the Avon Hub

Club Name	<b>Ōtautahi Speed Skating Club Inc (ŌSSC)</b>
Introduction	Previously Ōtautahi Rollers, the club separated from the Roller Derby League in June 2023 to be an independent speed skating club. Since then we have more than doubled in size and have a range of abilities and ages. The majority of this year has been spent creating policies and procedures, ensuring all coaches and those parents who would be in charge of children (giving rides to competitions etc) are policed checked and completed the relevant child protection course, design of website, new uniforms which was designed by the skaters, taking over the lease of the RollerDrome and then dealings with numerous other providers in relation to this. The remainder of the year can now be focussed on skating and fundraising.
What skating sports are covered in your club?	We offer public skating and speed skate training.
Club membership numbers (Total)	We currently have 38 club members
What activities have you had this year? Tell us about them.	In addition to our three speed skating training sessions a week, we have also held some indoor training sessions at the Pioneer Stadium. We also offer a monthly public session at the RollerDrome which we are looking at increasing during the spring and summer months to 2 or more sessions a month. We have also had free learn to skate sessions in school holidays.
Have you initiated or are considering any new activities? E.g. an Open Day, after school activity.	We have been looking at within school session and we will be engaging more with the local community by offering half price entry to Hornby residents.
How many Recreational Skating activities do you hold per week / per year?  Approximate number of people attending	We have a distance training session every Monday held at the Kart Sport Track. We also have a session for everybody on a Wednesday at the RollerDrome. We hold 2 sessions on a Friday at the RollerDrome, the first for beginner and intermediate and the second for more advanced training. We have recreational skaters at all our training sessions apart from the second session on a Friday.
What are your member numbers? You may specify by discipline if desired.  Have you seen any growth?	Competitive: 16 Recreational: 15 Officials: 0 We have had our biggest growth yet since June 2023
How many of your skaters have attended events hosted elsewhere? E.g. Open Day, training camp, workshop, etc	Apart from competitions and joining training sessions with other clubs, we have had a skater attend the Oceania training camp.
What's been your favourite success story this year?	Our favourite success stories are seeing our skaters achieve their goals. Having a skater win most of his races at the National Championships in January was fantastic, plus sending a skater to the UK for the British National Championships to win every race was also great. We also like to see our skaters race for the first

	time and the enjoyment they get from it.
What information can you share with other clubs that have worked well?	Apart from offering free learn to skate sessions which is a great way to attract new skaters, we have had Tommaso and Lorenzo from Italy train with us for the last couple of months. This has been great for our competitive skaters as has given them a challenge at training and a slight look into how other counties may skate/train. I think that this is a really good way for skaters to improve and will look to attract more skaters on their travels.
Any further comments you'd like to make?	With the changes our club has had this year, we haven't been able to hold a club competition this year unfortunately. However, we would like to hold one again next year.
