	Apologies: NIL	
2	SportNZ	
	SportNZ invited Roger to a teleconference with other smaller sports to provide and update & give confidence in relation to the sector response to Covid-19. Have advised us to check on the Prime Ministers Support Package to find opportunities where SkateNZ, our clubs or Area Committees could make applications for the loss of revenue from championships or public sessions. Ann to look into this and follow up	Ann
3	New Zealand Artistic Championships	
	The Artistic Committee have had this under consideration and have been discussing options for the Artistic Championships should they be able to go ahead due to some of the restrictions being made by the government be lifted. These include the addition of the Area Only Grades (as they lost their pinnacle event) and all skaters entries being accepted (as no qualification competition was able to be held to provide the top 8 skaters).	
4	Future of Meetings	
	Our next meeting is in May. We will have a clearer indication by Easter on how things are looking for whether it would be safe to travel. SportNZ are encouraging the use of technology, however a day & a half on a Skype / Zoom meeting while in our home environments would definitely be harder to keep focussed. Leanne to investigate options to enable screen sharing, the cost of Zoom and process AirNZ flight credits if necessary	Leanne
5	Oceania Artistic Championships	
	Australia have been in communication that they would like to keep the Oceania Artistic Championships on the table, situation dependent by September. The board will continue to monitor the Covid-19 situation	
6	Closure	
	The meeting closed at 7.15pm.
