2	World Roller Games 2019	
2.1	<p>Staying together may not as easy as we expected. 25 minutes from accommodation to venue could well become much more and hotels don't seem to be set up to cater for entire delegations from current information.</p> <p>Roger updated Regarding Karen Doyle scouting accommodation on our behalf at the delegates meeting on the weekend. Rohan to advise expected Rink Hockey numbers as soon as possible Current numbers for all disciplines to be advised to Karen asking for her recommendations on best hotels based on proximity to the venues.</p> <p>All sports are happy to stay separately, with Australia if it was feasible. Rink Hockey advised that there are possibly 3 venues for their games & Australia are in a different pool, so may not be best to stay together.</p> <p>We expect that there may be additional accommodation information (including tiers) & the official competition schedule coming out either at the meeting or after it.</p> <p>Artistic – up to 13 total Speed – Up to 16 Inline Hockey – 64 (4 teams of 16) Rink Hockey - 40</p>	Rohan Leanne

Meeting Close 8.25pm
