International Commissions

OBJECTIVES:

To provide a procedure for Federation Officials to apply to take an International Commission.

PROCEDURES:

1. Applications to take an International Commission are to be made in the first instance to the appropriate Sports Committee.
2. The Sports Committee will review the applications and make their recommendations to the Board within 30 days of receipt of the application.
3. The Board will ratify the recommendation/s of the Sports Committee or refer them back for cause.
4. Final recommendations to take International Commissions will be forwarded to the appropriate International body by the NZFRS Secretary.
5. The Board reserves the right to make its own recommendations to the appropriate Sports Committee regarding International Commissions.

PURPOSE:

To ensure a clear process is in place for Federation Officials to follow when applying for International Commissions.
