DISPOSAL OF EQUIPMENT

PURPOSE:

To ensure the fair disposal of equipment that is obsolete or no longer required.

PROCEDURES:

When equipment becomes available for disposal the NZFRS Secretary shall adopt the following procedure.

- Obtain a description of the condition of the equipment up for tender.
- Ascertain an acceptable value
- Advise NZFRS Member Clubs of the equipment available and condition requesting tenders within a specified date
- Following the closing date, NZFRS Board will view tender prices and select the successful tender.
- Advise the successful tenderer.
