## CLUB MEMBERSHIP TRANSFERS

### OBJECTIVES:

To ensure a clear procedure is in place for members to follow should they be intending to transfer from one club to another.

### PROCEDURES:

- 1 In the course of the NZFRS financial year an athlete may participate in competitions for one and the same club only. For the purpose of this clause, Club representation may be separate for artistic and speed skating except as approved by the Board. (By Law 5.01.04)
- 2 Clause 1 will not apply where a skater shifts their residential address outside the normal area serviced by their club.
- 3 A registered skater wishing to change clubs would normally complete the year for the club they have been skating for during that year. Should their membership of their club have not expired, they must resign from that club.
- 4 A letter from the club must be written to the new club advising that the particular skater has been released from that club. Such release should not be unreasonably withheld.
- 5 The new club must advise NZFRS Board Secretary that the particular skater has joined their club and forward a copy of the release from the old club.
