JUNIOR FIGURES

About Myself

I started skating when I was 6 years old, competing at my first competition in 2016 at 8 years old, as a member of the Hawera Roller Skating Club. I am currently 17 years old and a year 13 student at Te Pae Pae O Aotea, hoping to pursue a bachelor of Medical Imaging next year. Skating has shown me what true sportsmanship is and I have gained friendships, along with memories that will last a lifetime. Through this sport I have learnt resilience, determination and dedication, teaching me values that I will carry forever.
