About Myself

I began roller skating at the Upper Hutt Roller Skating Club when I was seven and the sport has been a central part of my life ever since. Through roller skating, I've learned the values of dedication, resilience, and hard work.

These lessons have not only shaped my approach to the sport but have also influenced my academic and professional pursuits. In 2022, I completed a Bachelor of Commerce at Victoria University of Wellington, majoring in Commercial Law and Management with a minor in Human Resources. After graduating, I relocated to Auckland to study a Bachelor of Laws at the University of Auckland. Currently, I train at both the Auckland Waitakere Trusts Arena and Upper Hutt Roller Skating Club whilst working part-time as an office assistant.

- 26th Senior Ladies Figures

Graeme Sheppard Challenge 2023:

- 3rd Senior Ladies Figures

Australian Nationals 2023:

- 3rd Senior Ladies Figures

Community Involvement

I am a qualified judge in both White system and RollArt and take great pleasure in volunteering at both local and national competitions. My goal is to become an international level judge in the near future. Roller skating has always been a passion of mine, and I am constantly seeking new ways to engage with and contribute to the skating community.
